WATER-SUPPLY AND STORES DIVISION, BANGALORE.

Notice dated 24th September 1913.

Tenders for the supply of good Portland Cement for use of the Public Works Department of Mysore for the calendar year 1914, will be received by the undersigned until the 20th October 1913, as per specification which can be obtained from the undersigned on application.

Each tender should be accompanied with an earnest money of Rs. 250 and should be sent in a sealed cover superscribed "Tenders for the supply of cement to the Mysore Public Works Department."

The final acceptance of the tender will rest with the Chief Engineer.

The Chief Engineer does not bind himself to accept the lowest or any tender.

Specification.

1. The cement to be supplied shall be English or Indian manufactured cement.

2. The cement should satisfy the tests as per British Standard specification. Results of tests made on the cement by recognised authorities in England or India shall be sent along with the tenders.

3. The supplier shall guarantee to maintain a stock of not less than 100 barrels in Bangalore at all times.

4. The supplier shall comply with all indents from the Executive Engineer, Water-Supply and Stores Division, within three days of the order.

5. The supplier shall supply the cement in properly coopered casks and of a gross weight of 400 lbs.

6. The supplier shall duly notify to the undersigned each and every consignment of cement required by him in his godown.

7. The supplier shall allow the undersigned or his authorised representative to inspect the stock in his godown at all reasonable times and shall permit the inspecting officer to collect cement for test from any barrel of the consignment. Such cement shall be tested by the Executive Engineer, Water-Supply and Stores Division, in the Public Works Workshops.

8. If the cement so tested fails to satisfy the conditions of the British Standard specification the whole consignment will be rejected and the supplier shall remove same from the particular godown and shall guarantee to replace the same with fresh good stock within a week's time.

9. The rate offered by the supplier shall include cost of delivery of same in good condition at the stores of the Water-Supply and Stores Division, and shall be binding on the supplier for a period of twelve months from 1st January 1914 to 31st December 1914.

10. The quantity of cement to be purchased from the supplier is not guaranteed.

K. SRINIVASA IYENGAR,
Executive Engineer,
Water-Supply and Stores Division.
